

Mini-symposium on tissue anoxia

Venue AIAS Auditorium, Høegh-Guldbergs Gade 6B, Aarhus C

Time June 3rd, 2022, 10-13.

Registration <https://events.au.dk/anoxia-symposium/signup>

Program

- 10.00 Sjannie Lefevre (Oslo University, Norway)**
Insights from 'omics' about crucian carp anoxia tolerance
- 10.45 Coffee Break**
- 11.15 Göran Nilsson (University of Oslo, Norway)**
The anoxic proteome of an anoxia survivor
- 11.35 Christian Damsgaard (Aarhus University, Denmark)**
Neural anoxia tolerance and the evolution of the bird eye
- 11.55 Angela Fago (Aarhus University, Denmark)**
New insights into survival strategies to oxygen deprivation in anoxia-tolerant vertebrates
- 12.15 Mark Bayley (Aarhus University, Denmark)**
Do air-breathing fish suffer branchial oxygen loss in aquatic hypoxia?
- 12.35 Daniel Warren (University of Saint Louis, USA)**
Title to be announced
